TORONTO June 29, 2016 - The Canadian International Freight Forwarders Association (CIFFA) is pleased to announce that the Eastern Region volunteer committee raised $5100.00 at its Bowl for Kids event held on May 5th in Montreal and at the FCA Gala Dinner held June 16th for the Pierre Elliott Trudeau Elementary School summer camp.

The school community started the summer camp campaign last year with the aim of sending underprivileged kids to summer camp. Many of the children in the school community are from low income families that cannot afford to send their child to summer camp. The cost of sending one child to camp totals $300.00 per week - which includes food, boarding, transportation and all activities.

Mr. Angelo Loffredi, Traffic Tech International and CIFFA Eastern Region chair presented the cheque to the Principal of the school Ms. Anna Sanalitro on June 2nd 2016. The donation will help send 17 kids to camp this summer.

“We at P.E.T. feel that a child benefits greatly through this program and their level of energy at the beginning of school year is at a very high,” said Ms. Anna Sanalitro.

“The Eastern Region committee members and everyone who registered to bowl and attended the FCA Gala dinner made this donation possible, a big thank you to all of you” said Mr. Loffredi.

Please join all of us at CIFFA in congratulating and thanking the Eastern Region committee members:
