

December 4, 2023.

Peter Xotta
Chief Executive Officer
Vancouver Fraser Port Authority
Peter.Xotta@portmetrovancover.com

Dear Peter,

On behalf of CIFFA, the [Canadian International Freight Forwarders Association](#), we would like to congratulate you on your appointment to President and Chief Executive Officer of Vancouver Fraser Port Authority this month.

The Port of Vancouver will surely benefit from your leadership and proven track record of collaboration and success in land and marine operations, health, safety and security, and port and supply chain optimization activities.

We are honoured to have worked with such a dedicated and enthusiastic team as you have at the port and look forward to working with you in future as you advance opportunities for Canadian trade growth and liaise with all levels of government, Indigenous groups, customers, tenants, transportation partners, labour, and communities.

Wishing you the best of luck as you embark on this ever-challenging role.

Sincerely,

Bruce Rodgers Executive Director, CIFFA

Julia Kuzeljevich Director, Policy and Regulatory Affairs, CIFFA
